

Eton Academy Monthly Newsletter - Welcome! March 2024

Dear Parents and Guardians,

We are thrilled to present the first edition of our monthly newsletter, a dedicated space to keep you informed and engaged with the Eton Academy online school community.

Spotlight on Careers Week - 4th-8th March

This week is National Careers Week! This is a fantastic opportunity for students to explore their future aspirations and consider the wide array of career paths available to them. Throughout the week, students will engage in discussions about various professions during class time and will begin to chronicle their thoughts and ambitions in their newly introduced Career Journals.

To make Careers Week even more engaging, we're launching a **mini-competition** on Monday. Details will be sent out soon, so stay tuned and encourage your child to participate!

E-Safety for Parents

In our ongoing effort to ensure a safe and secure online learning environment, we're excited to announce the launch of a new e-safety page specifically for parents. This resource is part of our forthcoming Parents Hub, designed to provide you with essential information and tools to support your child's online education journey. Stay connected for updates as we continue to develop this valuable resource. - <https://www.eton-academy.uk/esafety>

Attendance Matters

We'd like to remind all parents about the importance of notifying us regarding any student absences. To streamline this process, we are using an automated Google Form, sent to your

email, for you to communicate the reasons for your child's absence. This helps us maintain accurate attendance records and ensure that every student is accounted for. **Remember, consistent attendance is crucial for your child's success, and we aim for a minimum attendance rate of 90%.**

Other upcoming events

- Thursday 7th March - World book day
- 8th-17th March - British Science Week
- Friday 29th March - Good Friday (**School will be closed!**)
- Monday 1st April - Easter Monday (**School will be closed!**)

Thank you for being an integral part of the Eton Academy community. We look forward to an exciting month ahead and to the many opportunities to support our students in their learning journey. Your involvement and support make all the difference.

Warm Regards

Dr Gabrielle Hargreaves
Principal
