

Eton Academy Monthly Newsletter - Welcome!

June 2024

Dear Parents and Guardians,

Warm summer greetings from Eton Academy! As we embrace the sunny days of summer here in the UK, we are excited to announce that we have just seven weeks left in our academic term. For some of us we are starting to wind down for summer, for others we have end of year exams just around the corner. Either way we have a lot of existing things coming before we finish for the year!

Double Winners! Students Shine in National Engineering Competition

We are thrilled to announce that two of our talented students, **Rayan (Grade 9)** and **Yashar (Grade 7)**, have been shortlisted in a prestigious national engineering competition! This innovative contest challenges students to envision themselves as engineers and devise solutions to real-world problems. Out of thousands of participants, Rayan and Yashar's ingenuity and creativity have set them apart, securing their places in the final round of the competition! We are so proud!

There will be an awards ceremony at Manchester Metropolitan University in July, where the ultimate winner will be selected and their product potentially brought to life—an exciting and rare opportunity for any budding engineer! Good luck Rayan and Yashar!

Launching Our New Careers Newsletter!

We're excited to announce the launch of our new Careers Newsletter, starting on the 15th of this month. This monthly resource is designed to support students and parents by exploring future career possibilities and providing valuable guidance

What's Inside:

- Tips and insights from professionals to navigate and prepare for various career paths.
- A selection of articles, tools, and educational materials.
- Detailed looks at different professions to help students discover and consider a variety of career options.

Work experience week

As part of our careers program, we will be encouraging our IGCSE students to take a week away from their studies and partake in some work experience, whether that be virtual or physical. Watch this space for more information coming soon.

Eid Closure

Eton Academy will be closed in observance of Eid from 17th-21st June, allowing our students, staff, and their families to celebrate this significant occasion. We wish all who observe Eid a joyful and blessed celebration. May this special time bring peace, happiness, and prosperity to you and your loved ones.

Launching of the Model UN

We are thrilled to introduce the Model United Nations (Model UN) program for our lower secondary and IGCSE students this term. Throughout the program, students will learn about the United Nations, engage in country-specific research, and develop their problem-solving and negotiation skills. In the final week, each house will propose a project needing funding to a 'funding committee' made up of our staff, arguing why their project is the most deserving. The experience will culminate in a simulation where students act as delegates, working to resolve a global issue. This engaging initiative aims to empower our students as informed global citizens.

Parent Feedback

Your feedback is extremely important to us! Please take a moment to let us know your thoughts through our parent feedback form [here](#).

Other upcoming events

- Sunday 16th May - Fathers Day
- Friday 7th June - Re-enrollment forms due
- 17th - 21st June - Eid Celebrations (NO CLASSES)
- 15th - 19th July - Fun Week
- Friday 19th July - School closed for summer holidays

Warm Regards

A handwritten signature in black ink, appearing to read 'G. Hargreaves'.
