

Eton Academy Monthly Newsletter - Welcome!

April 2024

Dear Parents and Guardians,

As we approach the eagerly anticipated two-week Half Term break, the Eton Academy community has much to celebrate and look forward to. Starting with our heartfelt thanks to all the Year 10 parents who attended the recent Parents' Evening. It was a delight to see so many faces and share in the successes and growth of our students together.

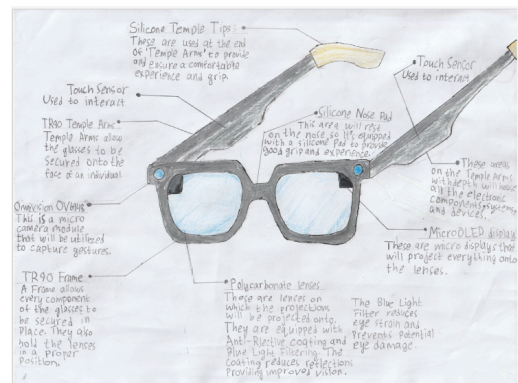

Primary and Lower Secondary Parents' Meeting

Mark your calendars! The Primary and Lower Secondary Parents' Meeting is scheduled for the **15th of April**. We'll be sharing more details soon, so please keep an eye on your emails for updates. This is an excellent opportunity for us to come together, discuss our children's progress, and plan for their future.

Spotlight on Innovation: Rayan's Achievement

We're bursting with pride for Rayan from Grade 9, who has taken a giant leap in innovation by submitting his product for the *'If You Were an Engineer, What Would You Do?'* competition.

Rayan's creation, the "Clarify Captioning Glasses", were developed to assist people with hearing impairment, the main objective of the glasses is providing real-time translation from speech-to-text as well as providing sign language translation in real-time languages through the use of the seamlessly integrated gesture recognition system. The translations will be projected onto the lenses as subtitles for the user to interpret. Well done and good luck Rayan! Your innovation and creativity is amazing!

Introducing the School Parliament

Eton Academy is thrilled to announce the introduction of our School Parliament, a pivotal step towards increasing student voices and enhancing our community. The Parliament will consist of five students, one from each year, Grades 6 through 10, to be democratically elected by our students. All students from Grade 6-10 are required to complete and submit the form attached during the Half Term break. Elections are set for Wednesday, 17th April, marking a pivotal moment for students to contribute positively to the Eton Academy community.

Parent Feedback

Your feedback is extremely important to us! Please take a moment to let us know your thoughts through our parent feedback form [here](#).

Other upcoming events
