

Eton Academy Monthly Newsletter - Welcome! October 2024

Dear Parents and Guardians,

Welcome Back to a New School Year at Eton Academy!

As the leaves begin to turn and the air cools, we are filled with excitement to welcome both new and familiar faces back to Eton Academy. The start of a new school year is always a time of promise and potential, and we look forward to embarking on this educational journey together.

Embracing Digital Learning with Google Classroom

After piloting Google Classroom last year we are happy to announce its fully fledged introduction this year. Google Classroom offers a seamless way to distribute assignments, boost student collaboration, and keep track of coursework. To ensure all parents and students can make the most of this tool, please refer to the Google Guide specifically for students [here](#). This guide will help you navigate the platform, understand its features, and maximise its benefits for home learning.

Observing World Mental Health Day

October 10th marks World Mental Health Day, a day dedicated to raising awareness and mobilising efforts to support mental health. This year, we are focusing on building resilience and well-being among our students. We encourage everyone to take a moment to read more about how you can support your and your children's mental health, available [here](#). Let's work together to create a supportive environment where everyone can thrive.

Preparedness in the Classroom

We cannot overstate the importance of coming to school well-prepared. Ensuring that your child has the right tools—notebooks, pens, pencils, and other required materials—supports their readiness to learn and participate in class activities. As we settle into the school year, let's equip our students with the essentials they need to succeed.

Visit Our Parent Hub

As part of our ongoing commitment to keep our parents and guardians well-informed and engaged with their children's education, we invite you to visit our Parent Hub. This dedicated space on our website provides a wealth of resources designed to support you in navigating your child's academic journey. From the latest school news and updates to educational resources and FAQs, our Parent Hub is your go-to source for staying connected with the Eton Academy community. Access the Parent Hub [here](#) and explore all that it has to offer.

We regularly update this space to ensure you have the most current and relevant information at your fingertips.

Parent Feedback

Your feedback is extremely important to us! Please take a moment to let us know your thoughts through our parent feedback form [here](#).

Other upcoming events

- World Mental Health Day: October 10th
- Half Term Break: October 21st - 25th
- Clocks Go Back: October 27th, remember to set your clocks back one hour as we switch from BST to GMT, gaining an extra hour.
- Halloween Celebrations: October 31st, get ready for a spooktacular day of fun and creativity!

Warm Regards

Dr Gabrielle Hargreaves
Principal
